COMMUNICATION CONCERNING CHANGE IN SMALL ENTITY STATUS

Commissioner of Patents and Trademarks
ATTENTION: Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is a communication to inform the U.S. Patent and Trademark Office that the status of the assignee of the above-identified Application, Transneuronix, Inc., had changed from a small entity status under 37 C.F.R. §1.9(d) to a large entity status as a result of the assignee having entered into a licensing agreement concerning the Application with a third party on January 17, 2001. We have just now become aware of this fact.

On February 26, 2001 Applicants paid a filing fee of \$691 as a small entity rather than \$1,382 as a large entity. Also, on May 22, 2001 Applicants paid a surcharge of \$65 and an extension fee of \$55 (totaling \$120) as a small entity rather than the \$240 as a large entity. We are authorizing the PTO to

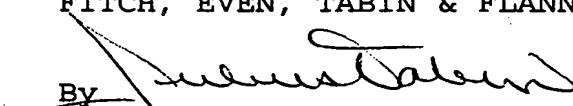

charge \$811 to our Deposit Account No. 06-1135 to cover the difference in fees paid to the U.S. Patent and Trademark Office.

The Commissioner is hereby authorized to charge any additional fees which may be required in this application under 37 C.F.R. §§1.16-1.17 during its entire pendency, or credit any overpayment, to Deposit Account No. 06-1135. Should no proper payment be enclosed herewith, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1135. A duplicate copy of this sheet is enclosed.

Respectfully submitted,
